MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Approval of Allen Dulles Placque

REFERENCE : Memo to Executive Director-Comptroller
66-1930/4 of 20 December 1966

1. This memorandum contains a recommendation for approval in paragraph 4.

2. Pursuant to reference Warnecke advises me that he recommends making the placque of marble similar to that used in the entrance way. He has obtained cost figures and can deliver the finished placque to us for a total cost of \$1500-\$1700 including cost of materials and work. (This apparently represents costs of materials and certain labor costs he will need. He is charging no fee for his work.) The cost of installing is not included and must be borne by the Agency.

3. Final approval of the inscription. Together with Warnecke we have modified the tentative inscription as set forth in paragraph 1c of reference to read:

"Allen Welsh Dulles
Director 1953-1961

This Headquarters was his concept
and under his guidance it was built."

We need final approval of this inscription or some substitute. Warnecke urges us to keep the number of letters to an absolute minimum principally for aesthetic reasons but also for cost reasons as he subcontracts out cutting of the letters at about \$4.00 per letter.

It is most generous of Mr. Warneke to offer his services without fee. The Director, however, wishes to pay whatever is reasonable for this work. Would you please convey our appreciation to Mr. Warneke but insist that we pay a reasonable fee.

On 22 March 1967 the Director approved the following inscription:

ALLEN WELSH DULLES
